PROFILE

Aspiring software developer with a strong foundation in C#, ASP.NET Core, HTML, CSS, and JavaScript. Seeking an entry-level role to apply academic knowledge in real-world development projects. Committed to learning new technologies, writing clean code, and contributing effectively to a collaborative development environment.

EDUCATION

Bachelor of Computer Science (B.Sc)
D.G. Vaishnav College, Chennai
Aug 2022 – May 2025

PROFESSIONAL SKILLS

Programming Languages: Python,Java(Basics),Javascript,SQL
Markup & Styling: HTML, CSS
Frameworks: .NET Core, ASP.NET MVC, Web API, Web Form
Database Technologies: SQL Server
Core Concepts: Object-Oriented Programming (OOPS)

ACADEMIC PROJECT

Student Management System

Developed a web-based Student Management System using ASP.NET Core that helps manage projects, tasks, and basic project-related information. The application supports adding, updating, viewing, and deleting project records with proper database handling. Designed to improve organization and tracking of project details through a simple and user-friendly interface.

STRENGTHS

- Strong problem-solving ability
- Quick learner with high adaptability
- Capable of working independently and collaboratively

CAREER INTEREST

Seeking an entry-level position in software development where I can apply my technical knowledge, improve my skills through real-world experience, and contribute to the success of the organization while growing professionally.
